Re: Infonet Telecommunications Corporation, Application for Certificate to  
Become a Telecommunications Carrier, Docket No. 01-0807

Dear Ms. Caton:

Enclosed please find an original and one copy of a parental letter of financial support, submitted on behalf of Infonet Telecommunications Corporation ("Infonet") in the above-captioned matter. At Infonet's January 17, 2002 hearing, Administrative Law Judge Gilbert instructed Infonet to submit the attached letter as Late Filed Exhibit B. Please date stamp and return the extra copy of this submission in the self addressed envelope provided for this purpose.

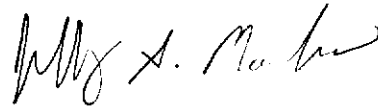

Infonet intends to provide resold intrastate interexchange services in 33 states. Infonet has submitted or intends to submit parental letters of financial support, in substantially the same form as the attached, to 12 of these states: Alabama, Arizona, Arkansas, California, Connecticut, Florida, Georgia, Maryland, Minnesota, Nevada, Pennsylvania, and Washington. Infonet's California application has been granted and the remainder of these 11 applications are pending or will soon be filed with the appropriate state commissions. In addition to California, Infonet currently has authority to provide resold interexchange services in Indiana, Iowa, Michigan, New Jersey, North Carolina, Utah, Virginia, and Wisconsin.
